CATALOGUE

OF A

COLLECTION OF COINS, PAPER MONEY,

ETC., ETC.

TO BE DISTRIBUTED

ON MONDAY, DECEMBER 2, 1889.

PLEASE READ!

A New Method.—A collector who is adverse to auctions, has concluded to dispose of his collection by a new method.

No auction will be held, but offers for one or more lots will be received by mail until **Monday, December 2, 1889,** when all the lots described in this Catalogue will be distributed according to the highest offers. Mail or express charges must be paid by the buyer.

As this method is new, collectors cannot avoid securing bargains. The owner is aware of this, but hopes more interest will be taken when he offers the balance of his collection in a similar manner, letting this catalogue start the ball rolling. He believes that the lower figures secured by this method will be more than balanced by the heavy expense he would incur in selling at auction. The catalogue is worthy the attention of all, and should be carefully read.
